

Break out Room 1

	<p>One or two answers agreed by the group. One idea per answer Bullet points not sentences.</p>
Your home?	<p>hear birds and insects, better educated about choices we make, more sharing of gardens and resources, *retrofitting for heating insulation and light by local firms,</p>
Your neighbourhood?	<p>*Safer routes for active travel, fewer (no?) petrol/ diesel cars, *more community veg/ fruit gardens (less grass) supported by social / green prescribing groups, *Better public transport distributed rather than central based</p>
Your city, town or village (depending where you live in South Yorkshire)?	<p>Less cement *Places where people can meet reinvented for each local community No hard paving and move to sustainable urban drainage. Fewer butchers (change of diet)</p>
Across South Yorkshire?	<p>*More equality and more collective changes (ensure jobs available) *Green corridors from countryside into cities with active transport options *Less sheep/ cattle and more reforestation (and less flooding as a result) *More micro hydro, wind and solar as well as integrated heat systems</p> <p>Staycations Collaboration with other regions</p>

<p>How you spend your day?</p>	<ul style="list-style-type: none">*Local decision making (citizens assemblies more common and supported)*No longer need to have food banks as green jobs are available <p>Still learning different ways to do things</p> <p>Walking (cycling) kids to school returning via the community garden to work from home (warm insulated and green electricity supported) then a time in a local community space</p>
