

Break out Room 4

<p>In 2027, as a result of the work that's been done to reduce carbon emissions, what will be better about</p>	<p>One or two answers agreed by the group. One idea per answer Bullet points not sentences.</p>
<p>Your home?</p>	<p>More energy efficient, but still warm and safe</p>
<p>Your neighbourhood?</p>	<p>Less dominated by cars, more active travel Greater community focus, more independent shops, food miles- aware</p>
<p>Your city, town or village (depending where you live in South Yorkshire)?</p>	<p>NE & other more disadvantaged areas of city have much improved green access Greener city centre, very limited traffic, green up as well as out</p>
<p>Across South Yorkshire?</p>	<p>More integrated, greener and more affordable public transport Much greater awareness across SY re the integrated nature of our communities Better info sharing</p>
<p>How you spend your day?</p>	<p>Less rushed, build on time afforded in lockdown, more exercise/outdoors</p>
